**1000 SQ. FT**  
**Model AW1823TW3W**

## Significant Features

- 2 year warranty – twice as long as others
- Less energy consumption and stable temperature control thanks to inverter technology
- ConnectLife app allows easy control on your mobile phone anytime, anywhere
- 3 different modes (Cooling, Fan, Dehumidifier) for flexible usage
- Fan mode for better air circulation
- Dehumidifier mode to remove excess moist
- Washable, removable filter for easy maintenance
- 4-way air direction provides even distribution of cool air
- Meets ENERGY STAR® standards, saving on energy costs

2 Year Warranty

Inverter Technology

3 Modes – Cool,  
Fan and Dehumidifier

ConnectLife  
Smart App

250 Volt/ 15 Amps.

E Star Certified

The Hisense AW1823TW3W Window Air Conditioner with inverter technology, best suited for large rooms (550 sq. ft. or less) with 18,000 BTU of cooling power, is packed with various efficient, easy to use features. Hisense inverter technology saves energy and maintains stable temperature at desired level by varying rotation speed of compressor. E-star certified air conditioner can reduce energy consumption, which in turn, helps to save money. With ConnectLife app on your mobile phone, you can turn on/off your air conditioner or adjust the setting wherever, whenever. The maintenance is simple thanks to the washable and removable filter. 2 year warranty on both parts and labor is another reason why you should buy Hisense air conditioner!
