Hisense

UHD 4K

more clear, more defined

The A6 Series UHD 4K VIDAA Smart TV is an entertainment must-have that features tons of built-in apps via the VIDAA Smart Platform, making it easier than ever to personalize your content and entertainment experience. In addition, DTS® Virtual:X[™] creates an immersive audio experience, and Motion Rate 120 keeps up with the fastest sports, movies and gaming. Dolby Vision® HDR* provides incredible detail and contrast, while 3 HDMI inputs let you connect all your gear.

4K Ultra High Definition

4K resolution improves upon Full High Definition with 3840 x 2160 pixels. More pixels on the screen produces a clearer picture making content look more realistic and true-to-life. Combined with Hisense's AI UHD Upscaler, non-4K content will get enhanced to near-4K quality.

Dolby Vision[®] HDR* and HDR10

Dolby Vision HDR brings the cinema to your living room. Discover how the brilliant colors and sharp details HDR10 is an HDR format that delivers HDR content via compatible over-the-air signals.

Motion Rate 120

Don't struggle to keep your eye on the ball—enjoy fastpaced sports, movies, and gaming without the lag. Featuring Motion Rate image processing technology, the A6 series keeps the thrills coming by making it easy to follow fast-moving action.

Auto Low Latency Game Mode

Enjoy a better gaming experience. In Game Mode, input lag is significantly improved, so your commands from the controller are virtually instantaneous on the screen.

DTS[®] Virtual: X[™]

DTS Virtual:X bridges the gap between the DTS:X codec and the reality of so many consumers' homes, allowing you to enjoy multi-dimensional sound regardless of room size, layout, or speaker configuration.

VIDAA Smart OS

Open a world of content through Hisense's Vidaa OS smart platform. With hundreds of apps at your disposal, getting to your favorite TV show, movie, or game is simple and intuitive.

Works with Alexa**

Quickly access entertainment and control your TV with an Alexa device that you already own. With the touch of your remote or a simple voice command, turn on and off the TV, change channels, and much more.

Works with Google Assistant**

Easily control many functions of the TV including volume, change channels, launch apps and much more using your connected Google Assistant device

*HDR viewing experience will vary by model, content availability and internet connection.

** Requires a compatible Google or Alexa device
