

- Sold exclusively at Lowe's with a 2-year warranty – twice as long as others
- Three level wash – Complete coverage for excellent cleaning performance
- Enhanced drying performance – Auto door open function quickens drying with no extra effort
- Large capacity - A lot more room for the after-party cleanup
- Ultra quiet - 44dB quiet operation for peaceful night
- Simple & easy to use touch control – Whichever program you choose, just one click and done.
- Fingerprint-resistant stainless-steel finish makes cleanup a breeze
- The energy-efficient condensation drying system allows you to load plastic ware anywhere - even on the lower rack

Three level wash

44 dBA ultra quiet

Large Capacity

Auto door open function

## Cleaner but peaceful Kitchen

Family dinner clean up has never been easier. Combination of large capacity and various flexible loading options enables you to accommodate up to 15 place settings. Your plastic containers will be safe even on lower rack with condensation drying system. Done with loading dishes? Then, just click the start button and you are done. Now you will get completely clean dishes every time thanks to the Hisense Three Level Wash. Don't not get frustrated from remaining food soils even after full cycle. However, you can still secure your peaceful night with 44dBA ultra quiet operation. 2 year warranty both on parts and labor is another reason why you should buy Hisense Dishwasher!
