5 Elements Slide-in Electric Range

Model HFE3501CPS (Stainless Steel)

- Sold exclusively at Lowe's with a 2-year warranty – twice as long as others
- Sleek built-in look with Slide-in installation
- Air Fryer function: a healthier alternative to fried foods but with the same crunch you love
- Skip the wait with the fast-preheat technology – giving you valuable time back
- This true convection oven circulates heated air around the food continuously, for faster and more even baking and roasting on every rack
- Fit for any sized feast – 5.8 CF large capacity oven provides plenty of room for large casserole dishes and more.
- The power-boil cooking element (3300W) goes from Zero to boiling in a snap, no more waiting
- Equipped with 2 cleaning options: self-cleaning for an easy, scrub-free cleanup and steam cleaning for occasional messes

Air fry Function

True Convection

Self clean & Steam Clean

A better way to Cook

Our spacious Hisense stainless steel slide-in electric ranges comes with a large 5.8 cu. ft. capacity and a sleek built-in look design. Hisense's fast preheat technology will complete the preheating even before you finish preparing the ingredients. 5 elements enable you to cook multiple dishes at the same time. Air fry function is a healthier alternative to fried foods but with same crunch. Don't worry about cleaning up the oven after a big meal cooking. This model is equipped with 2 different cleaning options – either self-cleaning for an easy, scrub-free cleanup or steam cleaning for more hygienic deep cleaning. 2 - year warranty both on parts and labor just in case. That's Hisense, a better way to cook.
