A better way to Cook

Our spacious Hisense stainless steel slide-in gas range comes with a large 5.8 cu. ft. capacity and a sleek built-in look design. Hisense's fast preheat technology will complete the preheating even before you finish preparing the ingredients. With 6 burners, you can cook multiple dishes at the same time. Dual ring burner enables you to cook whatever between delicate simmering and searing thanks to more even and faster heating. Removable griddle included for pancakes or grilled cheese. Air fry function is a healthier alternative to fried foods but with same crunch. 2 - year warranty both on parts and labor just in case. That's Hisense, a better way to cook.
