

The Hisense A4 Series Full HD Smart TV is a must-have with tons of built-in apps via the Hisense Smart Platform (VIDAA OS), making it easier than ever to personalize your entertainment experience. The A4 series also has DTS Virtual-X incorporated to deliver a crisp and immersive sound. It has all the features for you to keep up with all your entertainment. The size of the screen makes it versatile and easy to place in any room or space.

### Full HD Resolution

Along with the 1080p high-definition LCD screen, you'll find a powerful full array LED backlight, creating a sharper, more colorful picture.

### Natural Color Enhancer

Natural Color Enhancer maximizes your TV's color reproduction to take your viewing to the next level. Whether it's sports, shows, or movies, watch them in enhanced true-to-life color – the way they were meant to be seen.

### Noise Reduction

Hisense noise reduction technology automatically analyzes the input signal and removes detected noise to restore and reproduce a perfect, clean image.

### DTS® Virtual:X™

DTS Virtual:X bridges the gap between the DTS:X codec and the reality of so many consumers' homes, allowing you to enjoy multi-dimensional sound regardless of room size, layout, or speaker configuration.

### Works with Alexa

Make the most of your entertainment with your existing Alexa device. Effortlessly turn your TV on or off, switch channels, and achieve more with your voice, activated by a simple press of the voice button.

### VIDAA Smart OS

Open a world of content through Hisense's Vidaa OS smart platform. With hundreds of apps at your disposal, getting to your favorite TV show, movie, or game is simple and intuitive.

### Game Mode

Enhance your gaming experience with improved performance. Our Game Mode feature reduces input lag, allowing for faster and more accurate responses to your controller commands on the screen.
