

4K ULTRAHD

Hisense Xumo TV brings you all the joy of TV and none of the frustration. The Hisense A6HX series offers seamless integration of a smart platform and impressive picture quality. Experience stunningly crisp and detailed content with 4K resolution and Dolby Vision HDR, all while satisfying your entertainment needs. Enjoy access to all the top streaming apps like Netflix, Disney+, Max, plus hundreds more. Get 300+ free streaming channels with Xumo Play. That's thousands of free movies and TV shows. The My List feature lets you add content across apps into one list, so all your favorite content is right at your fingertips. And with the included voice remote, use your voice to search across apps to find movies and shows to watch.

Xumo TV. All you can stream.

The Joy of Streaming™. With Xumo TV enjoy access to the top streaming apps including 300+ free streaming channels from Xumo Play. My List lets you add content across apps into one list, so all your favorite content is right at your fingertips.

4K Ultra HD

4K resolution improves upon Full High Definition with 3840 x 2160 pixels. More pixels on screen produce a clearer picture, making content look more realistic and true-to-life. Combined with Hisense's AI UHD Upscaler, non-4K content will get enhanced to near-4K quality.

Dolby Vision® HDR and HDR10*

Dolby Vision HDR and HDR10 transform your TV into an entertainment powerhouse. The image technology from cinema, now brought directly to your home, providing amazing realism that you'll experience like never before.

Advanced Voice Remote included

Super simple search. The advanced voice remote lets you quickly search and access your favorites across every app. No more searching different platforms to find the one show your friend recommended.

Easy to set up

Set up and watch in minutes. All the apps are already downloaded for you. Simply plug in your TV, connect to WiFi, activate, and watch.
