Smart and Ultimate Flexibility

Hisense HRM260N6TSE refrigerator is designed smart and beautiful, but also flexibility and convenience in mind. This model features versatile VersaTemp Zone which you can control the temperature as you need for your wine, meat, seafood or deli meat... (the list keep going!). Manage or receive useful notifications on ConnectLife app on your smartphone. You can access fresh tasting filtered water easily thru the door water and ice dispenser. 360 Surround LED lighting on top and sides of refrigerator illuminate every corner of fridge. However we did not compromise storage capability for flexibility. With adjustable sliding shelf, cantilever shelf and smooth glide 2 tier freezer drawer, you still can maximize your storage capability and minimize grocery trips.
