Reversible Door

Adjustable Legs

Space saving convenience

This new 48 can compact beverage cooler HBC048N1AVD has a modern and stylish design with stainless steel door. Thanks to the compact and space-saving design, you do not need a large space to install this beverage cooler. With extra silver film coating and dual tempered glass, triple optical protection system protects your drinks from harsh light. The adjustable legs and reversible door design allow for placement of this beverage cooler virtually anywhere you need it. Thanks to the 43dB ultra quiet operation, you still get a peaceful sleep though it's right next to you bed or desk...!
