

**5.4** CU.FT.

- Modern and stylish design with stainless steel door
- Smart with ConnectLife App
- Protect your beverage from harsh light with triple optical protection
- Flexible installation with reversible door
- Reversible door for your convenience
- · Adjustable glass shelf to store tall bottles
- Dimmable LED light soft on your eyes

Reversible Door

Adjustable Legs

## For your refreshment and entertainment

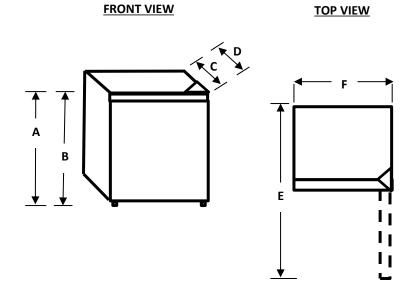

This new 164 can beverage cooler HBC164N6SS provides huge 164 can capacity, but still looks modern and stylish with stainless steel door. Monitor and maintain this beverage center on your smartphone with ConnectLife app. With extra silver film coating and dual tempered glass, triple optical protection system protects your drinks from harsh light. The height of the bottle or can does not matter because you can adjust with adjustable glass shelf. Dimmable LED light feels soft on your eyes. Reversible door allows you to install this beverage center to open either left side or right side for your convenience. Thanks to the 39dB ultra quiet operation, it will not disturb your entertainment.
