

# MORA

**5.8**  
CU.FT.

**5 Elements Freestanding  
Electric Range**

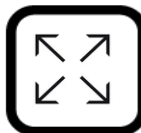

Model MBE3502CAS(Stainless Steel)

- Air Fryer function: a healthier alternative to fried foods but with the same crunch you love
- Fast preheating technology
- This true convection oven circulates heated air around the food continuously, for faster and more even baking and roasting on every rack
- Fit for any sized feast – 5.8 CF large capacity oven provides plenty of room for large casserole dishes and more.
- The power-boil cooking element (3300W) goes from Zero to boiling in a snap, no more waiting
- Flexible dual elements that fit pots and pans up to 9” and 12”
- 11 special programs with simple one click

**Air fry Function**

**Large Capacity**

**True Convection**

This spacious Mora stainless steel freestanding electric range comes with a large 5.8 cu. ft. capacity and air fry function for healthier alternative to fried foods, but with the same crunch. The true convection oven gives you faster and more even baking and roasting by circulating heating air around food continuously. With 11 different special modes, you can cook whatever you want with just one click.
