ON-SITE SERVICE:

Certain Products, as stated herein, are eligible for on-site service at Hisense's sole discretion. To obtain on-site service, Purchaser must call or email Hisense as described above to trouble-shoot the issue with the Product. On-site service may not be available in certain locations where an authorized service provider is not available. An authorized service provider is considered unavailable if the Purchaser's location exceeds fifty (50) miles from the service provider's business address. In the event that on-site service is not available, Hisense will, at its sole discretion, replace the Product with a new or refurbished similar Product of equal or greater value, or refund the purchase price of the Product to the

Purchaser.

On-site service requires that our authorized service provider be given clear, complete, unobstructed and easy access to the front, sides and rear of the Product. On-site service does not include that the service provider removes, reinstalls or transports the Product. It is possible that certain on-site repairs will need to be completed off site, and at Hisense's discretion, require that the Product to be shipped directly to Hisense's authorized service center. Once Hisense receives the Product and repairs or replaces it, Hisense will return the repaired/replaced Product back to the Purchaser.
