

Hisense's New Ultra-Quiet HUI66360XCUS Built-In Dishwasher Offers Premium Performance at an Exceptional Value

SUWANEE, GA - (August 29, 2023) - [Hisense](#), the Official TV and Appliance Partner of the NBA, introduces its new ultra-quiet [HUI66360XCUS Built-In Dishwasher](#), a stylish, high-performing appliance designed to clean up even the messiest meals. Hisense's new dishwasher lets users load more and run less thanks to its large and flexible capacity, which fits up to 15 place settings. Featuring three adjustable racks and an adjustable cutlery basket for flexible loading, there's ample space for oversized dishes, as well as reorganization options to fit a variety of needs. Operating at just 44dB, the ultra-quiet dishwasher ensures a peaceful post-dinner cleanup.

PREMIUM FEATURES AT A VALUABLE PRICE

Packed with high-end features, the new dishwasher offers professional-grade performance at a valuable price. In addition to the adjustable third rack, it also includes a third spray arm for full-coverage cleaning that will leave your dishes sparkling, every time. With the "tap-to-activate" top control panel, users can easily choose between eight standard cycles, customizations (boost, delay and auto door open), and a self-cleaning mode. The auto-door open setting uses a condensation drying system that ensures your dishes are completely dry, post-cycle - making unloading a breeze.

Not only does the dishwasher feature a sleek, fingerprint-resistant stainless steel design, but it's also Energy Star Most Efficient certified meaning each cycle uses less water and energy. This helps reduce utility costs so you can keep your money where it belongs - in your wallet!

AVAILABILITY

The HUI66360XCUS Built-In Dishwasher is available online and in-store at [Lowe's](#) and is currently on sale for just \$599. It's also eligible for the Lowe's Buy More Save More promotion, which gives shoppers instant savings of \$50+ when they buy two or more appliances.

Each dishwasher purchase is backed by Hisense's full two-year warranty - twice as long as the industry standard - and includes free shipping and installation with purchase.

About Hisense USA

Established in 2001, Hisense USA Corporation delivers reliable performance and best-in-class features through its range of technology products, including televisions, Laser TVs and Cinemas, refrigerators, air conditioners, dehumidifiers, beverage coolers, and freezers - all at an incredible value. As the Official TV and Home Appliance Partner of the NBA, Hisense's focus on performance, quality and value has driven the brand's rapid industry growth and created a reputation for award-winning and highly recommended products. In 2022, Hisense became the second largest TV manufacturer globally based on shipments and is proud to control both the quality of its products and the quality of customers' experiences. Hisense USA Corporation is a subsidiary of Hisense Group, a multi-national consumer technology manufacturer and one of the largest television brands in the world.
